Slide Sneeze Guards into Position

A. X-Shape Table Sneeze Guard Assembly:

1. Inspect components for damage and misalignment. Adjust, repair, or replace as needed.

B. Cleaning Precautions:

1. To ensure your product continues to protect and last, complete the following:
 - a. Gently clean all surfaces with a non-ammonia based cleaner and a clean/damp microfiber towel.
 - b. Do NOT scrub as acrylic can be scratched.
 - c. Never use scouring compounds or any type of chemical cleaner.
