ARMORBOSS™ LINEAR TABLE SNEEZE GUARD (ABT)

A SEE-THROUGH SOLUTION FOR SAFE, FACE-TO-FACE CONVERSATION

The ArmorBoss™ Linear Table Sneeze Guard from PS Public Protection™ brings safe, in-person communication to conference rooms, offices, break areas and restaurants – all while limiting the transmission of germs between those involved. Designed for convenient separation and maintaining personal space, this protective sneeze guard allows customers and employees to safely carry on a conversation and exchange materials across a table in a contact-free manner.

- **Perfect for conducting meetings, sharing meals and other personal contact** – Can be set up on virtually any flat surface where human interaction takes place
- **Allows for safe, face-to-face communication** – The ArmorBoss Linear Table Sneeze Guard protects parties on both sides from the germs that result from sneezing and coughing
- **Ideal protection during larger meetings** – Multiple sneeze guards can be set up on larger tables to protect more people
- **Convenient pass-through window** – Perfect for meetings, this space makes it easy to safely exchange papers and small objects
- **Made from durable, clear acrylic plastic** – Stands up to years of use and is easy to keep clean
- **Mobile design allows for use virtually anywhere** – Easily move the ArmorBoss Linear Table Sneeze Guard wherever you need it
- **Available in two stock sizes** – ABT-3224 (31.5" width x 23.5" height) and ABT-4824 (47.5" width x 23.5" height)
